PETITION TO REVIVE INTERNATIONAL APPLICATION

Applicants petition under 37 C.F.R. § 1.137(b) to revive International Application PCT/EP00/03758, filed in the European Patent Office on April 26, 2000, for the purpose of completing entry of the application into the U.S. national stage under 35 U.S.C. § 371. Applicants' delay in filing the application under 35 U.S.C. § 371 beyond the January 5, 2001 date set by statute for entry into the U.S. national stage until today, which delay resulted in abandonment of this international application, was unintentional. Applicants enclose with this petition the U.S. national stage application papers, and respectfully request entry of the application under 35 U.S.C. § 371 upon grant of this petition. The U.S.P.T.O is authorized to charge Deposit Account No. 01-1250 in the amount of \$1,240.00 as provided under 37 C.F.R. § 1.17(m), as well as any other fees needed for entry and consideration of this petition. Code 01-0418.

Respectfully submitted,
